

MIROGLIO & C SPA

Address:	Corso Orbassano 402/19 10137 Torino (Torino)
Web site:	www.mirogliomeccanica.it
Position in the supply chain:	Components - engine interiors, Components - gear, Components - powertrain
Products/Services:	BRIDGE VALVES, RETAINER, SPRING, INJECTOR SLEEVES, COMPONENTS 4WD, OLI PRESSURE VALVES
Technologies:	CNC Turning machines, CNC lathes, Machining Center, CNC Grinding Machines, Transfert, Cleaness Laboratory
Company activity:	Miroglio & C. Company works in the precision mechanical field with CNC lathes and machining centres producing components, having a production range diameter from 4 mm up to 250 mm. Our company is specialized in working with high-resistance special steel grades to supply a finished product (including grinding, heat treatment and surface treatment) to the end-user. Our design and production capabilities cover prototyping, small and medium series, and up to high volume quantities. We can also supply forged parts, both hot and cold, and extruded components through our partners to provide you with a full complete solution to your mechanical components requirements. Miroglio & C has been supplying directly to major industrial vehicles and automotive passenger vehicles. Our experienced Technical Staff, equipped with the CAD/CAM system, are able to provide feasibility studies and work with your Designers to co-design products at the most competitive costs. Miroglio & C is certified in according to the automotive norm ISO/TS 16949:2002 (ISO 9001:2000), and works with modern machineries to ensure the supply of high quality parts to its clients.
Main export markets:	Europe, Austria, France, Germany, Spain, Extra UE, Asia, China, America, Canada, Mexico, United States of America
Main customers:	FIAT POWERTRAIN, FGA, Iveco, CNHI, Ferrari, Haveco., Magna powertrain, Thyssen Presta, Linamar powertrain, ZF
Certifications:	ISO TS 16949, ISO 14001, ISO 9000 / 2002
Year of establishment:	1962
Turnover:	17.500.000,00 €
N. of employees:	70
